

DIVISIONAL SPLITS TO INCLUDE GEOGRAPHIC SPLIT BELOW: 9u

Remember the Scheduling meeting on Sunday February 18th. Check the website for your age group and time. If you ordered baseballs they can be picked up at the Scheduling meeting.

We will now turn on access to the website. As a logged-in user you may access the website where you will find your Divisional assignments, including any Geographical splits. Below, we have laid out the League Games. Only the games dictated by the league in this email are LEAGUE GAMES and count toward league standings....any other games, whether with league teams or with teams from outside the league are NON-LEAGUE GAMES and will not count toward league standings.

Please list all games, including tournaments on the website, so that teams can facilitate make up games in the event of rain etc.

Umpire fees are split and to be paid at the plate meeting prior to the game (except if large organizations are using Ref Pay). However, there are some large organizations where payment is made via Ref Pay and those situations will have to be coordinated between coaches. Please work with coaches.

Where an even number of league games between opponents is directed by the league, those games will be home and home (they may be played at one location in a DH but each team should be home team). Where there is an odd number of games directed by the league, whomever hosts the odd game, whether a single game or the third game, should be the home team as they will be paying for and prepping the field, and getting umpires scheduled.

Please recognize that geographical splits are based on the location of the teams in your division. So, you may consider yourself a south team, but because of the location of the teams in your division, you may be placed in a north group. We attempt to take into account locations, including access to highways etc. that make travel more convenient etc. At times we must make some tough decisions but do the best we can to make travel as convenient as possible.

Today, you will have access to the divisional and geographical splits available on the website. As a logged in user, you may access the contact information for the other coaches in your age bracket. This information will be available on the website, as a logged in user, today after 1 PM

That contact information is for league purposes only and is NOT TO BE GIVEN TO ANYONE.

9u N

Each team will play once vs. the other 9N teams for a total of 11 League Games.

9u S

Each team will play once vs. the other 9S teams for a total of 12 League Games.

You may play as many other games among League teams; they simply do not count for the League play.

YOU MAY ACCESS ALL OF THE TEAM AND COACHES INFORMATION AS A LOGGED-IN USER AT THIS TIME.

THE DIVISIONS ARE CORRECT on the Website.
